Southeastern Michigan Aquarium Society Mission Statement

The mission of the Southeastern Michigan Aquarium Society is to have fun, educate, and promote conservation in the fish keeping hobby.

Southeastern Michigan Aquarium Society

Presidents Message

Thanks to everyone that came out to the November meeting and heard Josh Phillips speak on "Breeding for Profit". His presentation "Breeding Fish for Profit" was full of information and strategies for making a bit of cash from your hobby. While you will probably have to keep your day job, the hope is that you will be able to help cover the cost of the hobby. Thanks Josh for the great presentation!!

In December, we will have a Christmas potluck, Fishy Trivia, BAP awards, and Raffle. The club will provide the meat and drinks, and ask the members to bring a dish to pass. In January Adam Errington will be up from Toledo, OH to give us a presentation on planted tanks. In closing I would like to thank the members that have joined so far and the members. Without the members there is no fish club.

Josh Cunningham

SMAS President
