Southeastern Michigan Aquarium Society Mission Statement

The mission of the Southeastern Michigan Aquarium Society is to have fun, educate, and promote conservation in the fish keeping hobby.

Southeastern Michigan Aquarium Society Presidents Message

Thanks to everyone that came out to the September meeting and heard the presentation on Florida fish farms. This Friday we will have a member's share night. This is an opportunity for members' to share why you started in the fish hobby, you can share your fishroom, your favorite species to keep and breed or just keep, a DIY project, etc.? You can put together a small Powerpoint or bring in some pictures on a flash drive, or just get up there and talk about a fish related topic that interests you.

Also in October, we will also have a swap meeting on Saturday the 29th. Vendor setup will be from 9-11, swap meet from 11-3. Tables for members are \$20 and and \$25 for non-members. We are down to 4 tables left to fill. Admission will be free.

In November, we will have nominations for the 2023 board, and in December we will have the elections with a Christmas potluck. The club will provide the meat and drinks, more details to come. In closing I would like to thank the members that have joined so far and the members. Without the members there is no fish club.

Josh Cunningham

SMAS President
