Southeastern Michigan Aquarium Society Mission Statement

The mission of the Southeastern Michigan Aquarium Society is to have fun, educate, and promote conservation in the fish keeping hobby.

Southeastern Michigan Aquarium Society

Presidents Message

Thanks to everyone that came out to the January meeting to hear Adam Errington give a great presentation on Low Tech Planted Tanks. Hope you had a great time learning about planted tanks, I know I did. That is one area I need to approve on is getting my green thumb.

We have a special double header treat for you this month!! This month Peter George will be traveling in from Massachusetts, to give us a presentation on the African Rift Lakes and their geology on Friday, but you can also see him Thursday night at 7:00pm as well at the Infinity Hall and Sidebar in Fraser, MI for a presentation on Cichlids of NECA presented by the Motor City Aquarium Society. Hope to see everyone at the meeting this Friday!!

Next month will be fishy bingo! Come out and play some games and when some fishy prizes!! Don't forget to bring BAP for a chance to win awards for the 2023 year. In closing I would like to thank the members that have joined so far and the members. Without the members there is no fish club.
